HON. JAMES R. KENNEY of Pennsylvania,

Ex-Mayor of Reading, Pa., noted Orator, Author and Scientist. "I can honestly and conscientiously say from my long experience in dealing with people and from my personal acquaintance with many of the most prominent men in this country, that there is no other thing which will help one so much in life as a thorough knowledge of Personal Magnetism," says Hon, James R. Kenny, "and for this reason I accepted the chairmanship of the committee on distribution of works on Personal Mag-netism and Hypnotism for the American College of Sciences of Philadelphia.

"The real secrets of Personal Magnetism and Hypnotism have always been jealously gnaided by the few who knew them and kept from the masses of the people. One who understands these sciences has an inestimable advantage in the race of life. I want to put this information in the hands of every ambitious man and woman in this country.
